

Supply Services

We are your source for computer and printer supplies.

For over 35 years, Harland Technology Services has been providing computer hardware maintenance and network design and installation services. We also offer you the opportunity to purchase your computer and printer supplies from us at prices you can afford.

We have a large inventory of printer and computer supplies at competitive prices.

Harland Technology Services carries a complete line of first quality computer and printer supplies from numerous manufacturers at competitive market prices.

Printing supplies include:

- Ribbons
- Laser Toner
- MICR Toner
- POS Supplies

Data Storage Media supplies include:

- LTO Cartridges
- 4mm-8mm Tapes
- SLR/MLR Tapes
- Cleaning Kits

We also stock a full line of Uninterruptible Power Supplies (UPS), surge suppressors and printer maintenance kits for your business needs.

Additional 10% Discount for Harland Technology Services Customers

For current information and pricing, please contact Sue Schuler at 800.228.3628, extension 3130.
